

## Women World Changers Goal

**1,000 x 1,000**

The possibilities of what can be done to eradicate the daily suffering of women and children are endless when we pool our resources. Our aim is to bring 1,000 passionate women together, committed to raising or donating a minimum of \$1,000 a year.

That's One Million Dollars  
for the transformation of lives!  
How we do that....

### "Dining With A Purpose"

We have developed a duplicatable model for being the hands and feet of Christ. Our focus is on collective giving on an immense scale while maintaining the intimacy of small group fellowship that will focus on mutual support, education, awareness and intentional giving that will make a tangible difference for women, children and families.

### The Verse we stand on in faith

*Deuteronomy 1:11  
May the Lord, the God of your fathers,  
make you a thousand times as many  
as you are, and bless you, as He has  
promised you!*

*On April 25, 2012 the last check was sent out to  
finish the construction and furnishing for a safe  
home for victims of human trafficking.  
It was a very gratifying moment to know that we  
were making a **difference in 50 women's lives**.  
Our prayer is that the Lord will begin to heal their  
wounded hearts and that He will bathe their lives  
with His amazing love.*

*While at their new home they will be given  
personalized counseling, job training and an  
education. They are welcome there for as long as  
it takes them to fully heal. This is a new beginning  
for these girls. Please keep them covered in your  
prayers.*
