I want to thank all of you that have donated to Angel House. Because of you, 50 young girls are being saved from a life that is unimaginable. Through God's grace and your generosity we just made the final payment on the home today! 4/25/12. I'm going to India in December to witness first hand all that we together have accomplished. I will photo journal my trip and will send you all pictures of what you have brought about. This journey has changed my life. Working with Angel House has been a huge pleasure. One I don't want to end. Since first hearing of these young girls and their plight I've partnered with several other passionate women and we started a group called Women World Changers (WWC). I want to share this with you and give each of you an opportunity to pray for us and/or join in our efforts. Please visit www.womenworldchangers.org for more information on you can join me and all the amazing women of the WWC.

Matthew 9:37, The harvest is plentiful, but the workers are few.

I'm honored to have shared in this journey with you!

I pray God richly blesses each of you!
